extensive report to the Board of Selectmen Tuesday on the results of the water quality study conducted in the areas of Brandt Island Road, Brandt Beach Road, Mattapoisett Neck Road and Antassawamock.

Begun at the suggestion of Dr. William Downey and other residents of the area, the sum of $4,000 was approved at last year's annual meeting to conduct the study to check the extent of pollution, if any, in the areas.

Nicholson said he had the cooperation of consultants George Allen of Dufresne and Henry, Dan Ostry of G.H.R. Analytical Consulting firm and the State DEQE (Department of Environmental Quality Engineering).

In his report, Nicholson said a total of 370 wells were tested. Of these, 39 wells had some percentage of coliforms and 14 wells (four percent) had fecal bacteria present. Nicholson noted he has written to the 39 homeowners whose wells showed some foreign substance in their wells.

The superintendent noted five tests were taken: The first was to test for total coliforms; the second, to test for fecal bacteria; the third, for nitrite and nitrogen presence (any evidence of sewerage); the fourth was a surface test for fresh sewerage; the fifth was for organics. Twelve samples from the fifth test showed nine with nothing of concern and three were very low. "We collected

the samples for the state DEQE to test," Nicholson said. He added that it would have cost the town about one hundred dollars if it had to pay for the tests; however, the state did it at no charge to the town.

Nicholson further noted that the surface tests showed fewer than 0.2 milligrams, which is very low. Anything under one milligram is low, he said. Only one well showed three milligrams, and Nicholson attributed this increase to the fact that the owner had chlorinated his well.

The superintendent offered the comment that some owners didn't know where their wells were situated; others had failed to properly seal the covers on their wells.

Selectmen Chairman John N. DeCosta thanked Nicholson for his comprehensive oral report. Nicholson will prepare an official report for the Board of Health and the Selectmen. A summary of the report will be published in the annual town report. Selectman James F. Huntoon felt the summary should be made to inform townspeople the results of last year's vote. It was announced that the full report will be made available in the Water Commissioners' office on Church Street for anyone interested.

In other business, Selectmen voted to join the Board of Water and Sewer Commissioners in a class action suit against the Johns-Manville Company. The Commissioners had previously voted 2-1 to authorize a lawsuit.

The two town boards will join other cities and towns throughout the Commonwealth who are seeking restitution for damages as a result of Tetrachlorethylene (TCE) leaching from drinking water pipes purchased from the Johns-Manville Company.

The state DEQE notified Mattapoisett that it is one of several cities and towns that

bought these pipes manufactured by Johns-Manville Company sometime between the years 1974-1979. These pipes leached the toxic chemical into water carried through the pipes.

Towns affected had to institute remedial programs to correct the situation. Superintendent Nicholson estimated Mattapoisett's cost to replace 1750 feet of the pipe in question and repair roads will be $44,000. It was noted the state expects the combined costs throughout the state will exceed $8 million.

Selectmen were advised that the cost of litigation will be borne by the Attorney General's office, with the exception of having town employees furnishing information on performing tests regarding the water pipes in Mattapoisett.

The Johns-Manville Company has filed for voluntary bankruptcy in New York under Chapter 11 of the Bankruptcy Code. The claim filed by the Attorney General would seek restitution for expenses incurred by the cities and towns and the Commonwealth for testing water supplies, installing bleeding devices, flushing the pipes, processing additional water, and, for those communities which replaced pipes, for the cost of replacement.

SELECTMEN RECEIVED notice from the director of the Regional Elderly Nutrition Program that Mattapoisett's assessment will be $400 for program participation. The director's letter commended Joseph Perry and the Town Council on Aging for their continued cooperation.

GRANTED permission to Barbara Gaspar, Girl Scout coordinator, to have girls conduct community service projects in the Town Hall. She also was given permission to set up a display on scouting projects in the building during Girl Scout Week (March 11-17).

Also, the club will be awarding their Citizen of the Year Plaque.

Kindergarten Volunteers

Effective Monday, January 30th, will be the change in sessions for a.m./p.m. Kindergarten children at Mattapoisett Center School. Children attending the morning session will be in school from 8:30 to 11:15 a.m.; afternoon session extends from 12:00 noon to 2:45 p.m.

Students attending the morning session will board the regular buses which take students in grades 1-6 to school. Students attending the afternoon session will board at the point where they previously were dropped off at the conclusion of the morning session. If you live at the beginning of a bus route, it is suggested that, at least for the first day, you have your child ready by 11:30 a.m.

Dollars for Scholars

BOSTON CLASSICAL ORCHESTRA CONCERT

The MMR Tri-Town Dollars for Scholars Board of Trustees held its first meeting of 1984 on January 9th at the Old Rochester Regional High School Library. The major item of business was finalization of plans for the concert to be given by the Boston Classical Orchestra. On Sunday, March 18th, at 8:15 p.m. the BCO will perform at Old Rochester Regional High School in Mattapoisett. In addition to the evening performance, a Children's Concert will take place at 3:30 p.m. at Old Rochester. The BCO will present a special musical program for elementary school youngsters. According to Concertmaster Robert Brink of Mattapoisett, the Orchestra is looking forward to the Children's Concert and to the evening concert. This will be the first performance by the BCO in southeastern Massachusetts.

Prior to the evening performance a buffet dinner for members of the orchestra and interested community members will be served at Old Rochester. A reception will follow the concert for orchestra members and special guests. Tickets for the dinner, concert, and reception will be available at $50. per person. In addition, 100 tickets for the reception and concert seats will be available at $25. per person. General admission will be $15. and tickets for students will be $5. Tickets for the Children's Concert will be $2. Tickets will be on sale shortly. Anyone wishing to make an early reservation may contact Ted Pratt in Marion (748-0330) or Susan Hottel in Mattapoisett (758-4417). Don't miss this exciting musical first.

All profits from the concerts will benefit the MMR Tri-Town Dollars for Scholars Scholarship Fund. Last year Dollars for Scholars awarded $15,100 to twenty-nine high school seniors from Marion, Mattapoisett and Rochester. The recipients represented Old Colony, Tabor Academy, Bishop Stang,

and Old Rochester Regional High School. This year the Awards Committee hopes to make scholarships available to students already in college and re-entry students in addition to graduating seniors.

In other business, student Board Members Laurel Watjen and Wayne Callahan reported that plans for the fund-raising dance for area high school students are set. The Valentine's Dance will be held on Saturday, February 11th, from 7:30 to 11:00 at Hoyt Hall on the Tabor Academy campus. Admission will be $3.

Board member Donna Wileczka reported that the Ned's Point Light cup plate mold was destroyed on December 31st. A limited number of plates are still available for $10. per plate. Colors available include clear, cobalt, and teal. Plates may be purchased at Seaport Pharmacy in Mattapoisett, Upper Cut Beauty Salon in Marion, and Old Rochester Regional High School. The second cup plate in the series will feature the Tabor Boy and will be available in the Spring.

The Board will meet again on Monday, February 13th, at 7:30 p.m. in the Old Rochester Regional Library.

Original Window Quilt® insulating shade is behind every Window Showcase

Window Showcase™ from Appropriate Technology not only decorates with most any fabric you choose, but insulates your windows as well. This means it can pay for itself in energy savings.

Up to half the heated or cooled air you pay for is going right outside — through cracks and casings and off the window glass.

With Window Showcase you cut this energy loss by up to 84%. Your heating or cooling bill will be substantially lower, and your rooms more comfortable year round.

Registered Democrats in Mattapoisett will be holding a caucus on Saturday, February 11th, at 2:00 p.m. to elect delegates to the 1984 Massachusetts Democratic Convention.

The Convention, which will be held on June 9, 1984, will endorse a candidate for United States Senate and select "Party and Elected Official" delegates and alternates to the 1984 Democratic National Convention. Mattapoisett will be electing three delegates and 2 alternates, equally divided between men and women, to sent to the Convention. The apportioned number of delegates has been allocated on the basis of a formula giving equal weight to the Democratic Party registration and the average vote for Democratic candidates in the last general elections for Governor and President.

Robert E. Black, Town Committee Chairperson, will call the caucus at the Mattapoisett Town Hall Conference Room. The caucus is open to all registered Democrats, persons ineligible to register and media representatives. The only persons eligible to participate in any portion of the caucus

Marion Grange

CELEBRATES 70th ANNIVERSARY

Marion Grange #339 celebrated its 70th anniversary recently and was honored to have Robert Barrows, Master of Massachusetts State Grange, and his lovely wife, Dolores, as our guests. We congratulate him on being elected to the office of secretary for the National Grange. He is a prime example of the old saying - "If there is job to be done ask a man who is already a busy one, and he will never refuse."

Brother Barrows' objective this year is to make the Grange grow in membership. Let's all make an effort to get at least one new member and help him reach his goal.

Mae Monette, Master of Fairhaven Grange and a member of the Massachusetts State Grange Home and Community Committee, presented an award to Florence Thompson, Home and Community chairman of Marion Grange, for her work on behalf of Spina Bifida. She also works very hard for several other worthwhile projects. Sister Monette explained the rules and regulations for the Sewing Contest conducted by the State Grange and urged members to participate.

Other dignitaries attending were Waldo Chamberlain, chairman, and John Handford, member of State Agriculture and Conservation Committee. They are taking orders for bulbs and shrubs and will observe "Arbor Day" again this year. All Granges are urged to plant a tree with a special program presented at that time.

Pomona Deputy Andrew Lafferty, Barbara Lafferty, Overseer of Sippican Pomona, and Fred Wilson, Overseer of West Wareham Grange, all spoke briefly.

Brother Barrows, Dorothy Matley, pianist of the State Grange, and Mary Dawn of Swansea Grange, presented several skits

BOOK COMMENT BY PAUL MEYERS

The "FOREIGN AFFAIRS" magazine - Winter 1983-84 is on the shelf and being read by a few people. The great and unique value of this magazine is that it treats the current events with depth and perspective without which one cannot even begin to understand its meaning. Example: The lead article "Assad and the Future of the Middle East" by Robert D. Neumann, Senior Advisor and Director of Middle East Studies, Georgetown University Center for Strategic International Studies, will enable the reader to understand the "whys" of the happenings in this troubled area. Here is a quotation: "The consequences of Israel's invasion of Lebanon in 1982 have significantly changed the entire range of power relationships in

the Middle East in a manner neither desired nor expected by any of the players in this latest phase of the Middle East Puzzle".

Also, "Nuclear War and Climatic Catastrophe" by Carl Sagan, an American astronomer known and respected throughout the world.

The fall issue of Foreign Affairs is available for borrowing by those who have a library card. Among other timely and timeless articles is "Foreign Policy and the American Character" by Arthur Schlesinger, Jr.

There is a lonesome book in the library called "AN ENCYCLOPEDIA OF IGNORANCE" with chapters by outstanding scientists about what the collective knowledge of the human race does not know. It is a book about what you ever wanted to know about the unknown, and the fact that, with all our knowledge, we don't know as much as that vast area about which we know very little. Don't let the technical equations scare you, there is a section of plain English in every chapter stating what we do not know and wish we did. The book is lonesome. Only one person has ever taken it out of the library.

1983 YEAR END STATISTICS

Rochester Police Chief Jack M. Pearsull sends the following year end statistics of his department for 1983: The Police Department crime rate has fallen in three categories:

1. Breaking & Entry - 37 in 1982, down to 21 in 1983.
2. Larceny - 49 in 1982, down to 23 in 1983.
3. Motor Vehicle Accidents - 90 in 1982, down to 64 in 1983.

The Chief says these categories have fallen to a new low in four years.

Letter to The Editor:

Just finished getting off notes to Marion Housing Committee and Meals on Wheels for their kindness to us all here, not only during Christmas but all year around. I was later than usual as during holidays I was busy enjoying two of my grandchildren, taking them on "educational trips" to the WHALING MUSEUM, EDAVILLE RAILROAD CHRISTMAS and such - both "presents" to us all from McDonald's Restaurant, where they, kids and families, plus our disabled veterans love to enjoy meals!

As I look out my big glass living room door and see my birds of all kinds enjoying their breakfast - snow gently falling with our woods with Sippican Harbor in the distance providing a visual picture, lasting longer than an artistic one (as it changes its beauty all year around), again I thank God to have the blessing living in our LITTLE NECK VILLAGE - and for the foresight of so many in our town for having provided it for us.

Also to Delano Griffith who comes to our rescue when we need help. He and Iva are such WONDERFUL CHRISTIANS, and just celebrated their 52nd wedding anniversary. May Our Lord keep them both in good health!

Also a thank you for our volunteers who deliver MEALS ON WHEELS when we are incapacitated (as all of us here are at times) and Rose Jackson who, always with a nice smile, takes us via bus either to shop or bringing meals as well.

Thank you to the Sippican Corp. Social Club and Police Association who also do nice things for us here. And to the Garden Discussion Group whose plantings give a warmth and beauty here... at our entrance particularly. I love the wee pink roses at my patio which bloom until November too!

So many in this town we thank - our priest, our ministers, churches, police and firemen, OUR AMBULANCE, our library, Hiller Garage, our various clubs, our town officials, and the workmen in the town who cut our grass and shovel our snow! A THANK YOU TO THEM ALL - FROM ALL OF US HERE!.

I also thank the town for the care of

Rosenshontz Concert

A family concert, by Rosenshontz, will be held Saturday, March 3rd, at 7:30 p.m. at the Old Rochester Regional High School Auditorium, sponsored by Mattapoisett P.T.O. and VASE (Volunteers at Sippican Elementary), to help bring arts and humanities to the schools.

Gary Rosen and Bill Shontz met for the first time over a ping pong table in New York City. Shortly thereafter they took up station with guitar and woodwinds between the seal pond and gorilla cage in Central Park Zoo to sing and play for whomever would stop to listen.

Families with children almost always did.

From these humble beginnings, ROSENSHONTZ have delighted more than half a million children and adults with their blend of

original songs, contemporary sounds, and zany style.

Their credits reflect the diversity of their appeal. ROSENSHONTZ's first concert for a family audience was at Carnegie Hall in New York City. Their first record, ROSENSHONTZ TICKLES YOU, produced by Canada's award-winning Bill Usher, was selected by the American Library Association as a 1982 Notable Children's Recording. It is also one of four records recommended by the New York Public Library.

A ROSENSHONTZ trademark is their finely-honed technical skill. Gary Rosen, composer of numerous songs for Sesame Street characters, is a graduate of Oberlin College and studied at the Greenwich House Music School in New York City. He then went on to study privately with Juan de la Mata and internationally-known composer/performer, Ralph Towner, one of his musical mentors. He began performing professionally shortly after he met Bill Shontz in 1974.

Bill Shontz, a former college music professor, is trained in classical clarinet and received a Master's of Music in flute, clarinet, saxophone, and recorder from Ohio State University. He was solo clarinet with the Ohio State University Orchestra and Concert Band, and the University of Illinois Orchestra and Wind Ensemble. He has also performed with the Lima (Ohio) Symphony and was guest soloist with the Simion String Quartet. He has taught at the University of Illinois, Ohio State University, Bluffton College and Muskingum College (Ohio). He began playing professionally in 1969.

Ticket sales for this concert will begin February 6th; call Chris Gaspar, 758-4436, or Linda Lane, 748-1045.

This concert is partially funded by the Mattapoisett Arts Council with funds from the Arts Lottery, New England Foundation for the Arts, the Massachusetts Council on

Discipline Workshop

WORKSHOP IN ACHIEVING BALANCE BETWEEN DISCIPLINE AND COMMUNICATION

A failure to discipline a young adolescent can lead to a pattern of irresponsible behavior.

A failure to communicate with and understand a child can lead to familial tensions which drain the joy out of family living.

While no one can prescribe for you the "right way" to raise your child, this 25-hour workshop improves your ability to communicate with your child, helps you recognize situations requiring discipline, and suggests a blend of the two found beneficial in the resolution of adult/adolescent conflicts and the improvement of adult/adolescent relationships.

Parents are invited to join teachers of the Old Rochester Regional Junior and Senior High Schools in improving their skills in relating to adolescents for ten two-and-a-half hour Wednesday sessions beginning February 1st and ending April 11th.

You may select afternoon sessions (2:45 to 5:15 p.m.) or evening sessions (7:00

Hint of the Month

A group of stains called "tannin" are often invisible until age (hanging in your closet) or the heat of processing turns the stain yellow or brown ... just like an apple cut open and exposed to air. Other possible invisible tannins are soda, tea, coffee, liquor and fruit juices. They all become difficult to remove with age. Bring your stained garments to us as soon as the mishap occurs, pointing out the problem areas.

CCCC TIP OF THE WEEK

YWCA Concerned Citizens Combating Crime advise:

If you are a witness to a crime, don't compare notes with your companions. This often leads to confusion rather than clarifying. Let the investigating officer "average" all the descriptions.

SHERIFF IS SPEAKER

YWCA Concerned Citizens Combating Crime will have Sheriff David Nelson as guest speaker at their meeting on Wednesday, February 8th. Nelson will discuss his plans as sheriff, the needs of the House of Correction, and be available for a question and answer session.

The meeting will be held at 7 p.m. at the YWCA Standish House, 20 South Sixth Street. Free parking is available in the YWCA lot, directly behind the Standish House, on School Street. The public is invited.

WOODLOT MANAGEMENT - NEW DATE

The Dartmouth Natural Resources Trust has rescheduled its talk on Woodlot Management to Thursday; January 26th, due to the snow on January 19th. The talk is the first in a series of programs on land use.

Woodlot Management will introduce the principles and practice of proper woodlot management to both the novice wood cutter and the small lot land owner. This slide and lecture program will discuss analyzing the woodlot, selecting and marking trees and management of the land after cutting.

Alan Hankin, Executive Director of the Lloyd Center for Environmental Studies, will be the instructor for this evening which will also include a question and answer session.

The program will be held at the Dartmouth Middle School, Hawthorn Street, North Dartmouth at 7:30 p.m. Admission is free to the general public and everyone is cordially invited to attend this informative evening.

In March, the Dartmouth Natural Resources Trust will offer a second program dealing with the handling of wood and chain saw use and maintenance.

SKY-WATCHING

Clear winter nights provide ideal opportunities for sky-watching. Join Lloyd Center naturalist Beth Pollin on January 29th at 7:00 p.m. to learn to identify several easy to recognize winter constellations

Lloyd Center Needs Computer

The Lloyd Center for Environmental Studies proudly announces the generous contribution of $1,000 from the Acushnet Company and Foundation as seed money for the acquisition of a computer for research and education. The Lloyd Center is seeking the support of organizations, businesses, and private citizens to help us reach our goal of $10,000 to acquire the right computer for these tasks. The IBM XT or an expanded IBM PC would meet this need.

John T. Ludes, President and Chief Executive Officer of the Acushnet Company, stated in his letter accompanying the contribution, "Hopefully others will also contribute to this need, and our contribution will assist you in obtaining additional amounts from others within the southeastern Massachusetts area." The Lloyd Center has the dual mission of education and research regarding coastal matters in all of southeastern Massachusetts. Although only in its third year of operation, the Center has been active in a

variety of research areas for which a computer is very much needed.

The Lloyd Center is the testing laboratory in the statewide Acid Rain Monitoring Program for New Bedford, Dartmouth, Fairhaven, and Westport. By monthly sampling of 33 lakes, rivers, and streams, the Lloyd Center has determined that southeastern Massachusetts and Bristol County, in particular, have a significant problem of acidification of water bodies. This data needs to be recorded, stored and analyzed. A computer is very important to this work.

In conjunction with the U. S. Department of Interior Fish and Wildlife Service and the Massachusetts Coastal Zone Management Program, the Lloyd Center for Environmental Studies has prepared an initial study of all the salt marshes, tidal flats, and barrier beaches in all of Massachusetts. This inventory includes determining the acreage, down to one-tenth of an acre of each of these coastal resources, for each town in the Commonwealth. The research results of this project have been summarized in a very time-consuming and labor-intensive manner and are being published by the Coastal Zone Management. This first publication only begins to analyze the results. A computer is needed to more fully analyze the data effectively so that it can be used by each town in Massachusetts for land management purposes.

capacity of the volunteers and staff of the Center so long as we must do all the calculations and recording by hand.

The Lloyd Center will accept any donations towards the acquisition of the computer. One expressed purpose of the Center is to promptly transmit research results to the people who need the information: Conservation Commissions, Planning Boards, Boards of Health, and private citizens. A computer will make this task possible and fast.

To help the Lloyd Center with this quest or to make a donation, call 990-0505 Tuesday through Sunday, 9:00 a.m. to 5:00 p.m. All donations to the Lloyd Center should be made payable to the Dartmouth Natural Resources Trust for the Lloyd Center for Environmental Studies. The DNRT owns and operates the Center and is a not-for-profit education and land conservation organization.

Coastline Elderly Services

VOLUNTEER ACTION PROJECT

Coastline Elderly Services, Inc. is now accepting applications from individuals who would like to volunteer some time to Community Service. Exciting new volunteer opportunities are available through Coastline in a variety of Volunteer Stations throughout the Greater New Bedford Area. Volunteers under 60 will be able to serve the Elderly through a number of resource agencies, while Senior Volunteers will have additional opportunities in the fields of Community and Youth Services.

Each volunteer applicant will be invited to select assignments which match his/her interests and abilities. An individual may serve as a Volunteer in one or more stations and may have varied assignments.

If your life needs a new challenge, and you can spare even one hour a week, you can make a difference to someone who needs you. Coastline's Project coordinator will

Easter Seal Society

CERTIFIED BY FEDERAL GOVERNMENT

The Massachusetts Easter Seal Society has been certified by the federal government to receive third party reimbursement for home health care services. Notification was received from the Department of Health and Human Services, Health Care Financing Administration, according to Sister Mary Caritas, S.P., Society President. Certification was made retroactively to last summer.

In making the announcement, Sister Caritas noted that, "Easter Seal Home Health Care services are offered statewide and may be accessed by calling toll-free 1-800-622-2600. This program will offer an alternative home health care service to Massachusetts residents regardless of where they live in the state."

Since 1961, Easter Seal has provided occupational therapy, physical therapy, speech therapy and social service to clients in homes, hospitals and extended care facilities. Home Health care is a natural outgrowth of this program.

The Society's home health care services include nursing and home health aides, along with rehabilitation services.

The program is counseled by a professional advisory group headed by Lamar Soutter, M.D., former chancellor of the University of Massachusetts Medical School and past president of both the Massachusetts and

National Easter Seal Societies.

In entering the home health care field, Easter Seals "has made a sizable financial commitment for the current fiscal year, which began September 1, in the amount of $495,000," Sister Caritas added.

At the present time, the Society is offering services through five regional offices in Boston, Lawrence, New Bedford, West Springfield, and Worcester. A staff of 12 nurses, augmented by 60 therapists is presently providing services.

Kathleen Janssen, R.N. serves as director of the program. Before joining the society in June 1983, Ms. Janssen was administrator of another large home health agency in Massachusetts. She holds a Bachelor of Science in Nursing from Boston College School of Nursing.

INCOME TAXES...APRIL 15th...IRS...

These words make some people shudder.

Income tax preparation is a traumatic experience for a lot of people. But it doesn't have to be that way.

I'm Judy Golten and for the past ten years I've been assisting Mattapoisett residents with their tax preparation and general accounting needs. Perhaps I can be of assistance to you.

Judy Golten

P.S. From now until April 15th I'll be placing some helpful hints in the classified section of the Presto Press. Watch for them!

Holy Hour

A Holy Hour will be held at the Sacred Hearts Church, 382 Main Street, Fairhaven, on Tuesday, January 31st, from 7 to 8 p.m., sponsored by the Adorers of the Blessed Sacrament. The guest priest will be Fr. Alphonsus McHugh SS.CC., pastor of the Sacred Hearts Church. He will celebrate the Holy Hour with Exposition of the Blessed Sacrament, Prayers, Meditation, Scripture Readings and the Holy Hour will conclude with Benediction. Refreshments will follow in the church hall; the public is invited to attend.

Curriculum Day

Notice to parents of children in Grades K-12 in the public schools of Marion, Mattapoisett, and Rochester: On Wednesday, February 1st, there will be an early release day for teachers engaged in curriculum work.
